Beverage
WORLD

Redzone Pacific Northwest Community – Come see us at the expo!

February 17th-19th 2020 | Spokane, Washington

In conjunction with our team exhibiting and speaking at the Northwest Food & Beverage World we wanted to invite our customers to join us on the booth to speak to our Coaches with any questions you may have and also join us for dinner (on us) to mix with other northwest customers and chew the fat over issues affecting your local area right now. It's a great opportunity to have time with our Coaches and customers to find out anything you need to know to run your plant more efficiently.

MONDAY – FEB 17th

Ask Your Community Coach

Schedule a time to meet with Marc
at the expo and discuss.:

Marc Pelletier

Community Lead
Coach Redzone
Production Systems

- Connected Teams - Maintenance & RPS Demo
- Motivating your workforce: best practices for rewards, recognition & incentives from the Redzone customer base
- Q&A, especially questions or needs provided in advance
- Learn and share experiences with others from your Redzone deployment
- Opportunities between members in the Pacific Northwest
